**ASA CIRCULAR 9 OF 2019
ATHLETE REPRESENTATIVES WRITE EXAMS ON HOW TO
REPRESENT ATHLETES ON RANKING LISTS**

The primary function of IAAF Athlete Representatives (AR) are to take care of the needs of athletes ranked in the top 30 on the IAAF Ranking List, or in South Africa, National AR's represent athletes on the ASA Top 10 ranking lists.

On Saturday 12 January 2019, ASA became one of only 4 centres in the world where AR's could qualify as IAAF AR. The other three centres are in USA, UK and Japan.

Under the watchful eyes of Hezekiel Sepeng, the ASA Excellence Manager, 16 candidates from RSA, Sweden, Kenya, Botswana and Netherlands had to write a 2 hour exams to evaluate if the candidate AR's know which procedures should be followed to take care of athletes listed on the mentioned ranking lists.

ASA is one of only a few countries in the world which first groom AR's at national level. Once National AR's gained experience in how to represent athletes at national level. the National AR's are nominated to obtain an international qualification as AR. ASA currently has 16 National AR's been groomed to become IAAF AR's in the near future.

The CAA is in process of establishing a series of competitions on the African continent that can compete with competitions in other continents in the world.

The AR's in Africa will play an important role in taking care of the elite athletes taking part at these international competitions.

The adjacent photo show the 16 AR's writing exams at ASA House in Johannesburg to qualify as IAAF AR's.
