Dear ASA Members

Circular 89 of ASA 2017 (08/03) – UPDATE ON PREPARING NATIONAL QUALITY CONTROLLERS FOR 2018

Please find attached a report on the progress made in preparing Quality Controllers for the 2018 Athletics Season.

Please find attached the latest update on the 2017 ASA Quality Controllers. The List of Quality Controllers was listed as they were received from the ASA Members.

ASA is in process to verify the correctness of the information provided by ASA Provinces, as the correctness of the contact details are critical going forward. The many errors on contact details, as received from provinces, are a concern to ASA, as it raises questions on the quality of communication between some provinces and its Technical Officials.

With regard to the 2018 Domestic Rules and Regulations, the ASA Technical Committee had a working session on 30-31 July 2017 to scrutinize the inputs from Members. The Technical Committee will soon present a Final Draft of the 2018 Domestic Rules and Regulations to ASA. The Final Draft of the 2018 Domestic Rules and Regulations will be send to ASA Commissions during the next 2 weeks to allow them to scrutinize the content of the proposed 2018 Domestic Rules and Regulations.

ASA will forward the Final Draft of the 2018 Domestic Rules and Regulations to the ASA Members for final scrutiny, and will be submitted to the ASA Council on 14 October for final endorsement.

ASA will soon after the ASA Council Meeting call for a National Technical Symposium, where National Quality Controllers, as listed below, will be evaluated on their capacity to serve as National Quality Controllers in 2018. The 2018 Domestic Rules and Regulations will serve as basis for such evaluation of Quality Controllers.

Athletics greetings

Richard Stander
ASA CEO
