Dear ASA Members

CIRCULAR 130 of ASA 2017 (10/16) – UPDATED LIST OF ATHLETE REPRESENTATIVES IN SOUTH AFRICA

ASA Circulars 114 & 123 has bearing.

The amount of South African athletes ranked in the Top 30 in the world is growing, while at the same time the gap between the ASA Top 10 Rankings and the IAAF Top 30 ranking lists are also rapidly closing. As a result the need for more Athlete Representatives (AR's) is also growing.

As a point of clarity, the needs of athletes to maintain their position on the ASA Top 10 Ranking list and ultimately on the IAAF Top 30 Ranking List require commitment from the athlete beyond the normal needs of an athlete at entry level.

For that reason athletes ranked on the ASA Top 10 Ranking list and ultimately on the IAAF Top 30 Ranking List are regarded as "professional" athletes purely because of their extraordinary needs for resources such as specialized coaching, specialized medical care and specialized dietary needs.

Often clubs does not have the resources to support the needs of such "professional" athletes. In such cases Athlete Representatives (AR's) take over the role of the club to sustain such "professional" athletes.

For AR's to take over such roles from clubs, e.g. to take care of the extraordinary needs of "professional athletes", there are clear guidelines in IAAF Rule 7, ASA Domestic Rule 12, and ASA Constitution Clause 28.

It goes without saying that these "professional athletes" are the "face of athletics South Africa. It is therefore important that the "professional athletes" are taken care of by AR's that have the interest of the athlete, ASA and IAAF collectively at heart.

All AR's are required to register with ASA and/or IAAF before they can represent the athlete. Such registration requires an examination to determine if the AR's is operating at the required standard. On Saturday 21 October several potential AR's undergo such examination.

ASA gladly announce that a total of eight (8) AR's passed the gruelling test and obtained their ASA registration cards. Their names are listed below in red.

These AR's on presenting their ASA Accreditation Cards will be allowed to negotiate, on behalf of the "professional athletes", prize money and appearance money from event/race organizers, and negotiate sponsorships to finance the specialized needs of the "Professional Athletes.
