Dear ASA Members, with the international season now concluded, please find attached the updated SAAS Track and Field Top 10 Ranking lists. Please note that the results of the IAAF Continental Cup are also factored in.

The latest Road Running Top 10 Ranking Lists were send to you in ASA Circular 98.

ASA would also like to thank you for the questions related to some of the statistics that were not updated. These corrections are also made in this edition.

ASA would like to remind our members that the statistics are as accurate as you submit them to the SAAS Statistics Committee.

ASA are now fully in preparation for the 2019 athletics season and the 2019 Preparation Squads for the 2019 International Track and Field, Cross Country and Road Running Championships are now in process of identification.

Finally, with regards to Road Running, the results of both the 2019 ASA 10km Championships and the ASA Marathon Championships later this month will be used to identify the 2019 Preparation Squads.

If all go well the 2019 Preparation Squads for Track and Field, Cross Country and Road Running will be presented to the ASA Council on 13 October 2018.

Athletics greetings
