### Circular 109 of ASA 2019 (12/05) 2020 ASA FIXTURES LIST ALIGNED WITH WA GRADING SYSTEM

Dear Members

Please find attached the December 2019 update of the 2020 ASA National Fixtures. All changes are indicated in red.

ASA Members must please note that the new name of the IAAF is World Athletics and are abbreviated as "WA" on the attached ASA Fixtures List.

ASA Members must also note that WA is in process of implementing a new global grading system for athletics events. The existing WA label system (Platinum, Gold, Silver, Bronze status) will form part of the new WA grading System.

In summary the WA grading systems will consist of six (6) levels and are called Category A; B; C; D; E; and F. In each category athletes will be able to score points, and in doing so will be able to qualify for the International events, including the 2020 Olympic Games.

ASA has been granted permission to register 6 events in the WA "E" & "F" categories.

The ASA National T&F Championships will qualify for the "E" Category, if accepted by the WA. ASA will also apply for the 3 Athletix Grand Prix Meetings to be registered on the "F" Category.

Lastly, ASA will, in consultation with the ASA Provinces, apply for 2 provincial events to be listed on the WA "F" Category.

All International events are highlighted in yellow and are graded in the WA "A" – "D" Categories.

All South African Events already graded in the "C" - "F" categories are highlighted in green.

Athletics greetings

Richard Stander  
ASA ACEO
